_____ Other _____		

1. Please check the below ESY service delivery plan for the above student.
2. Complete the instructions for the ESY service delivery plan, which was selected.

School-Based Program

- Student will attend an ESY program in a school setting, during the summer months.
- A SPED teacher and/or Teaching Assistants will provide ESY services.
- Current SPED teacher/file holder will send home, to parents, a permission slip to attend ESY.
- By May 1st, the Current SPED teacher/file holder will send the signed permission slips to the ESY teacher.
- Current SPED teacher/file holder will complete the ESY IEPPRO Maker form, for each of their student's that qualify for ESY services.
- Current SPED teacher/file holder will complete and provide an ESY Student Information Sheet for each of their student's that qualify for ESY services.
- Current SPED teacher/file holder will provide a copy of the students Health Care Plan (if applicable).
- ESY teacher must submit data to the student's SPED teacher/file holder at the beginning of the new school year.

Home Visits

- ESY services will be provided at the student's home.
- The number of hours to be provided will be determined by the IEP team.
- A SPED teacher and/or Teaching Assistant will provide ESY services.
- Data will be taken and returned to the SPED teacher/file holder, at the beginning of the new school year.

Home Learning Packet

- Current SPED teacher/file holder will provide a home learning packet/materials/data collection sheet, etc. that will be used for the parent to provide support to the student on a specific skills in order to maintain that skill over the summer break.
- Home Learning Packet will be given to parent during the last week of school, in May.
- Home Learning Packet, if possible, will be returned to the SPED teacher/file holder, at the beginning, of the new school year.
